INSTRUCTIONS

You can use common wood glue. It's easier to colour the parts before mounting. Only for decoration, no toy!
Suitable for children older than 5 years. Children under 5 years only under supervision of an adult.

1.) Colour the parts and put glue on both slots.

2.) Stick together all 3 parts — they will create a star when you take a look from the top.

3.) Colour the petals and glue them into the slots. Please note — small petals have to be on top of the big ones. Then you can put in the glass for the tea light.
