INSTRUCTIONS

You can use common wood glue. It's easier to colour the parts before mounting. Only for decoration, no toy! Suitable for children older than 5 years. Children under 5 years only under supervision of an adult.

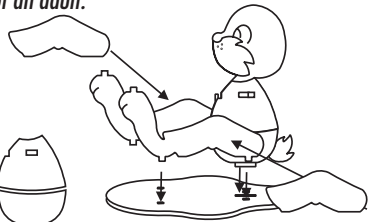

1.) Colour bunny's eyes and glue bunny's tail and beard on his body.

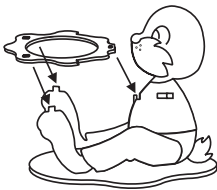

2.) Now stick the small red part through the upper part of the body and fix it.

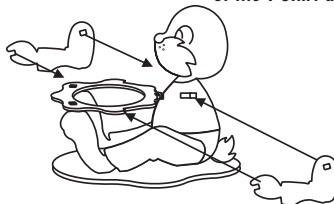

3.) Put both coloured T-Shirt parts (from the left and right side) on the red part and glue on the parts of the T-Shirt and trousers.

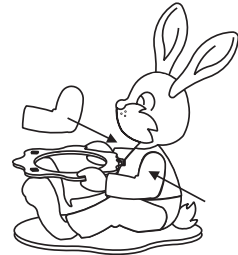

4.) Fix bunny's body and bunny's legs on the ground plate. Then glue the coloured parts of the trousers on the legs.

5.) Glue the circle on the small horns (on bunny's feet and body).

6.) Stick bunny's arm on the red part and push the arm to the front.

7.) Then the coloured sleeves and ears have to be glued on the bunny.

8.) You can colour all parts with the colour you like. The bunny can be decorated with an easter egg or a tealight inside the glass bowl. It's also possible to put the seed of easter grass into the glass bowl — after some time easter grass can grow there.
