## INSTRUCTIONS

You can use common wood glue. It's easier to colour the parts before mounting. Only for decoration, no toy! Suitable for children older than 5 years. Children under 5 years only under supervision of an adult.

1.) Turn the base plate. Then get the 3 small plates and glue them on the bottom of the plate. The tealightholder will stand on these 3 plates.

2.) First glue the leaves on the sunflower and after this glue both brown round plates on the leaves. One brown plate has to be in front of the flower and the second one needs to be in the back.

3.) Glue the sunflower and the fence on the ground plate.

4.) Then glue the parts of the hedgehog like shown on the picture.

6.) Now the hedgehog, the grass and all flowers and butterflies have to be glued on the ground plate. Please insert the tea light.
